
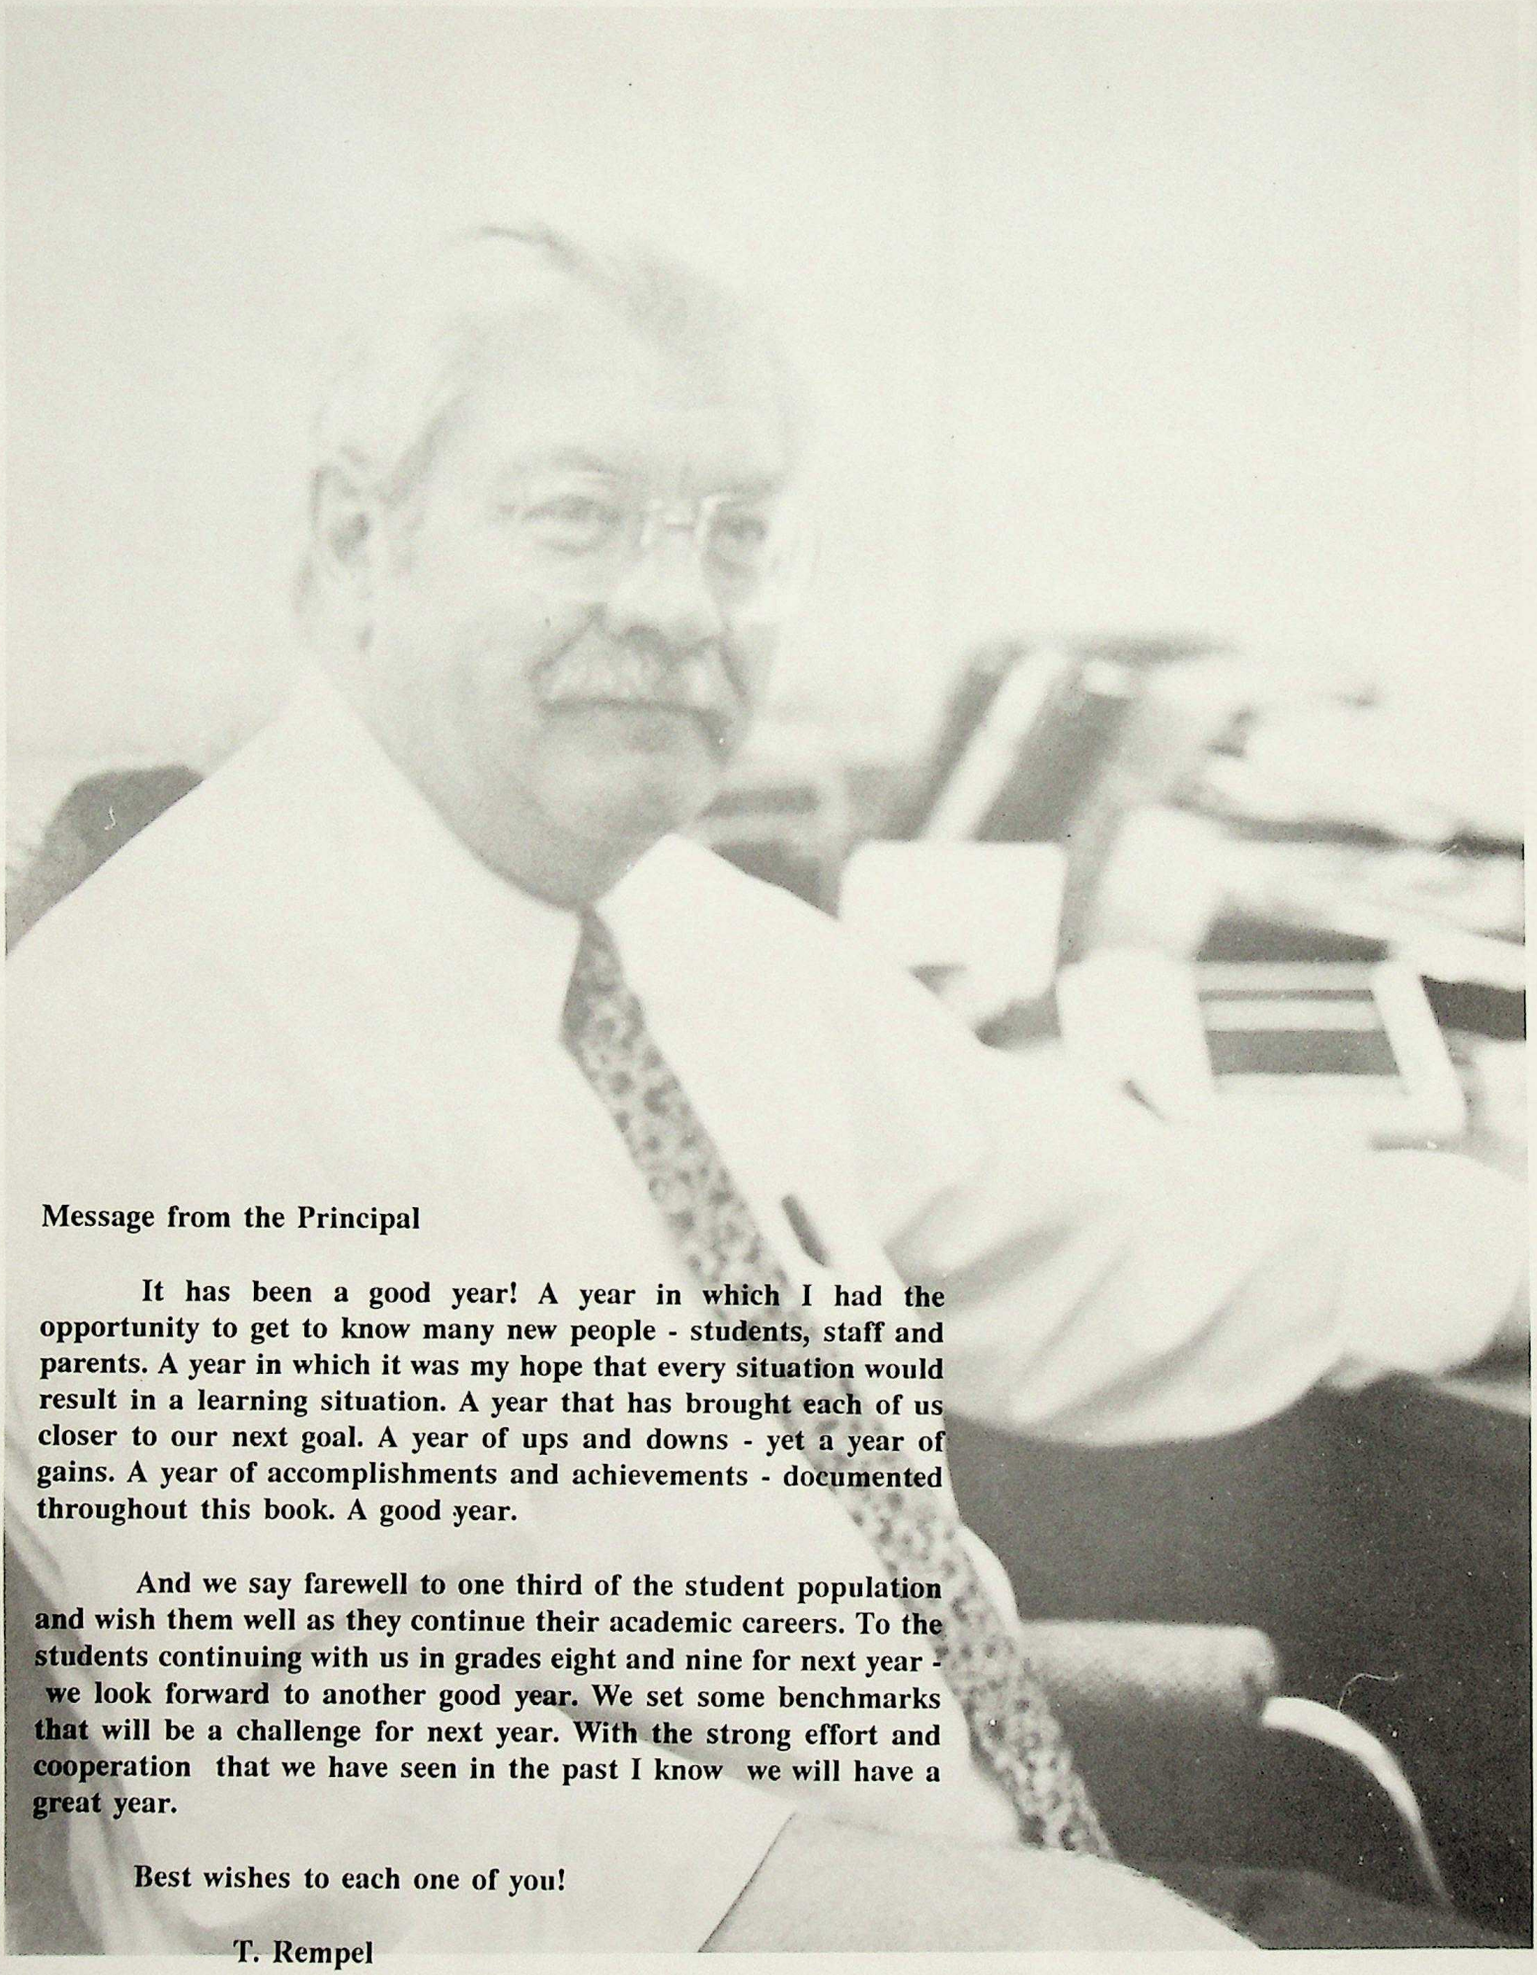
EDITH ROGERS ROYALS

1988-89



Message from the Principal

It has been a good year! A year in which I had the opportunity to get to know many new people - students, staff and parents. A year in which it was my hope that every situation would result in a learning situation. A year that has brought each of us closer to our next goal. A year of ups and downs - yet a year of gains. A year of accomplishments and achievements - documented throughout this book. A good year.

And we say farewell to one third of the student population and wish them well as they continue their academic careers. To the students continuing with us in grades eight and nine for next year - we look forward to another good year. We set some benchmarks that will be a challenge for next year. With the strong effort and cooperation that we have seen in the past I know we will have a great year.

Best wishes to each one of you!

T. Rempel

BATTLE OF THE JUNIOR HIGHS

Earlier this year, many students participated in the "Battle of the Junior Highs" - an event that took place in the Weat Edmonton Malles World Waterpark. Some of the activities included a speed slide contest, a basket-ball throw, a tug-o-war in the water, a fashion show and a relay tube race. The object of course was to get as many gold, silver, or bronze medals as possible. The teams with the highest number of points would then go on to the quarter finals, semi finals and then the finals. Our school team made it to the semi finals. In the end, Londonderry won the event. Our school placed third and won $200. The "Battle of the Junior Highs" was an excellent and fun challenge. It was a real school spirit lifter. Vanessa Rowe

GRADE 8 REPS

& VICE PRESIDENT

1988-89, What an action packed and fun filled year. As usual,student council many members who just loved to get involved in their school activities Next even more such students will have the opportunity to be on council under the constitution,which students passed this year.Under the new constitution every will be represented on council through homeroom reps.As well, the head, or of every committee will have a seat reserved for them on council . So you have great opportunities to get involved in YOUR school activities. School was involved in the organization of five major dances this year. The Welcome the Hallowe'en dance, the Christmas dance, the Valentine dance and the Year dance. At the beginning of the year, a grade 7 Fun Meet was held at the Field House to make the grade 7s feel welcome. Student Council also a team in the World Waterpark Battle of the Junior Highs. They finished third for the entire city. Good job Team! The Student's Union also ran three major days. There was a Hallowe'en dress-up day, Green day and Mix -match - Day -- early - May.

It was a year packed full of excitement and I hope many of you get involved in your school activities in the near future. J. Curtis Bain -Student Council President

MATH CONTESTS

MATH CONTESTS

Edith Rogers again had a very successful year in Math competitions. Students has the opportunity to compete in five different contests and were encouraged to do so for two main reasons. 1. to provide a challenge to good Math students; and 2. to expose students to math problems
they do not run accross in their core math.

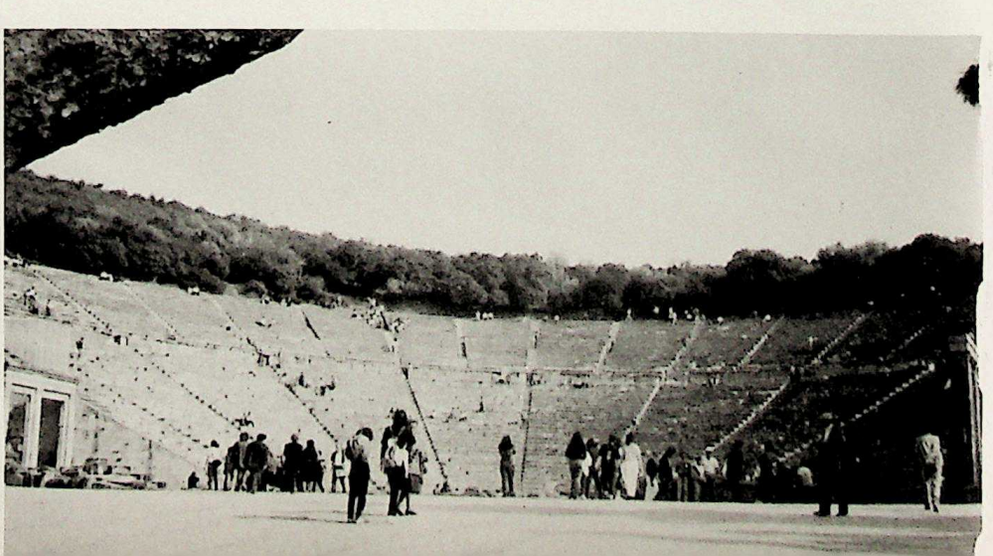
VISIT TO GREECE

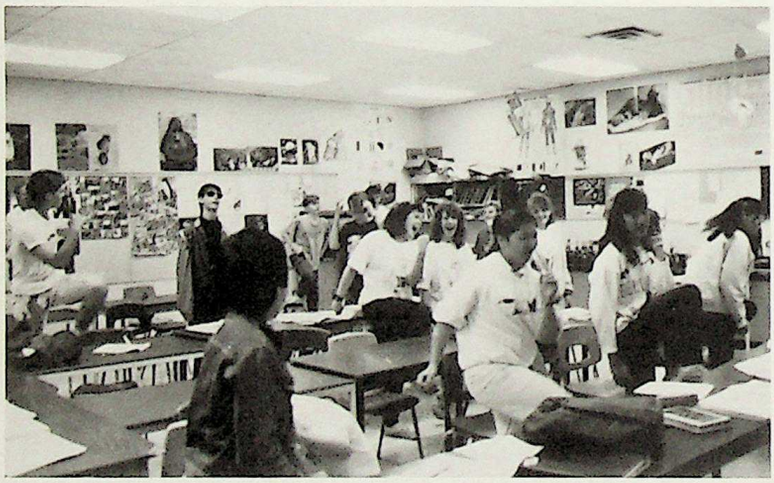
Edith Rogers students enjoyed another study travel trip this year. For 1989 the destination was Greece. Those travelling were Julie Birmingham, Charles Cho, Duncan Farmer, Trevor Gagnon, Jill Gingell, Carrie Hornby, Candace Mah, Holly McGuire, David Moon, Jamie Raicos and Renee Stollery. The group thoroughly enjoyed the Parthenon, Epidaurus and Delphi. Other highlights included a three-island boat trip, visits to the beach and a sun burn. Mrs. Webber and Mr. Butler escorted the group and reported that our students made excellent ambassadors.

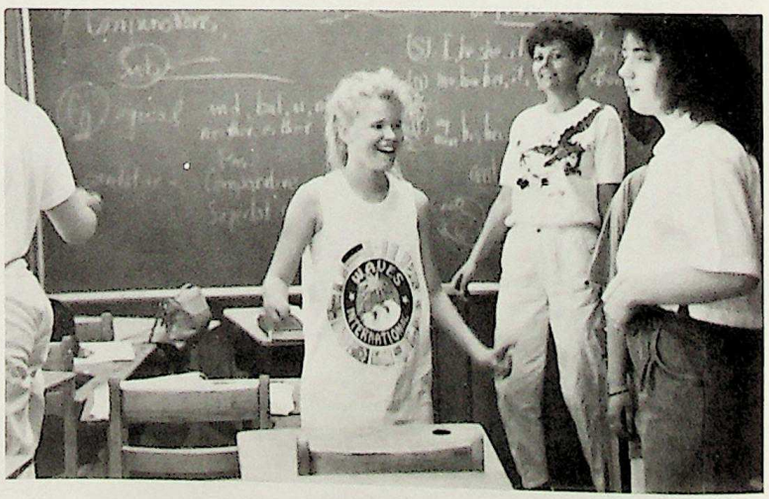


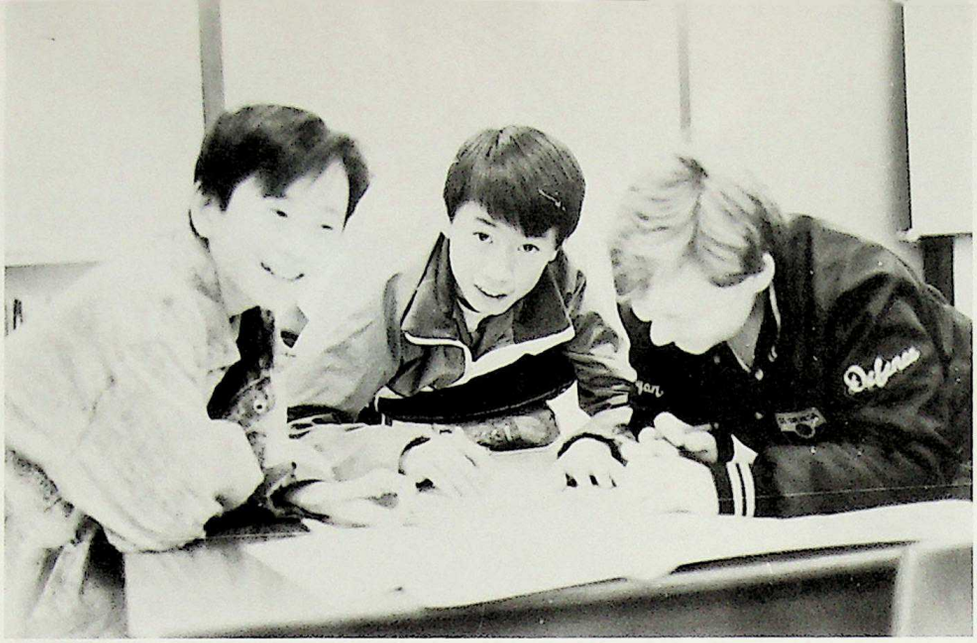
FRENCH EXCHANGE

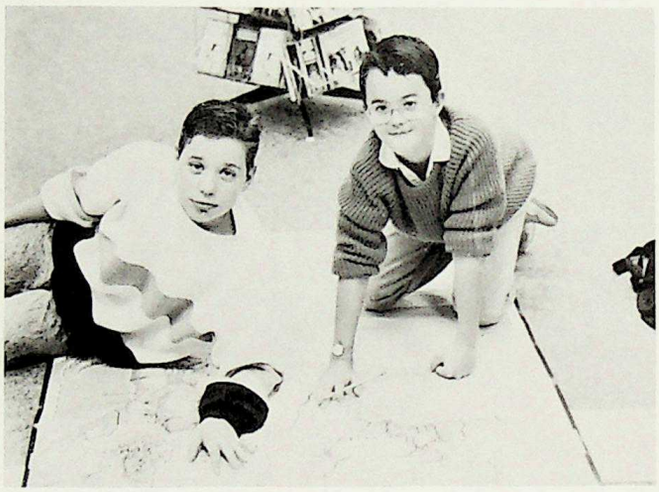
The French Exchange of 1989 brought forth many memorable experiences. Twenty five students from Ecole LaNacelle in Caraquet, New Brunswick were twinned with twenty-five students from Edith Rogers. The first leg of the trip was spent touring Alberta and making new friends. Some of our stops included Drumheller and a day skiing in Banff. The second half of the exchange was the most thrilling for all. The students of Caraquet waited to greet us at the New Brunswick airport. Throughout the week we toured the sights in and around Caraquet and then we were off to Quebec City. Our days and nights in Quebec were filled with much excitement. We fell in love with old Quebec at first sight. The scenery and history all around us was unforgettable. We returned to New Brunswick for our last night of fun and farewell. There are no words left to describe how our new friends have touched our hearts.

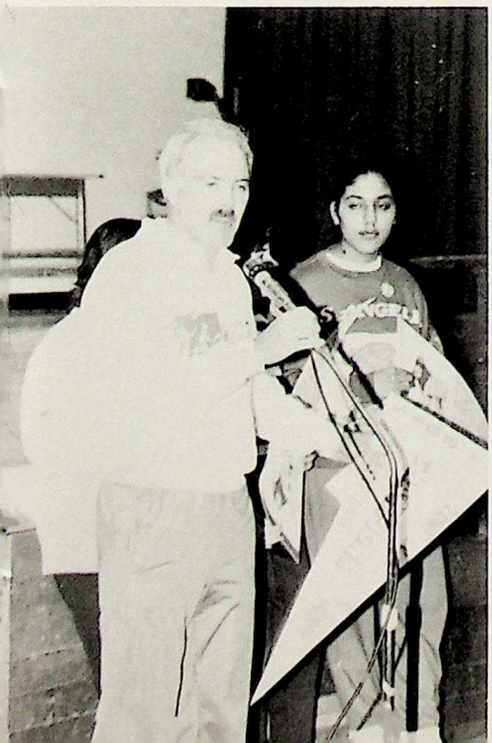
Bonjour!

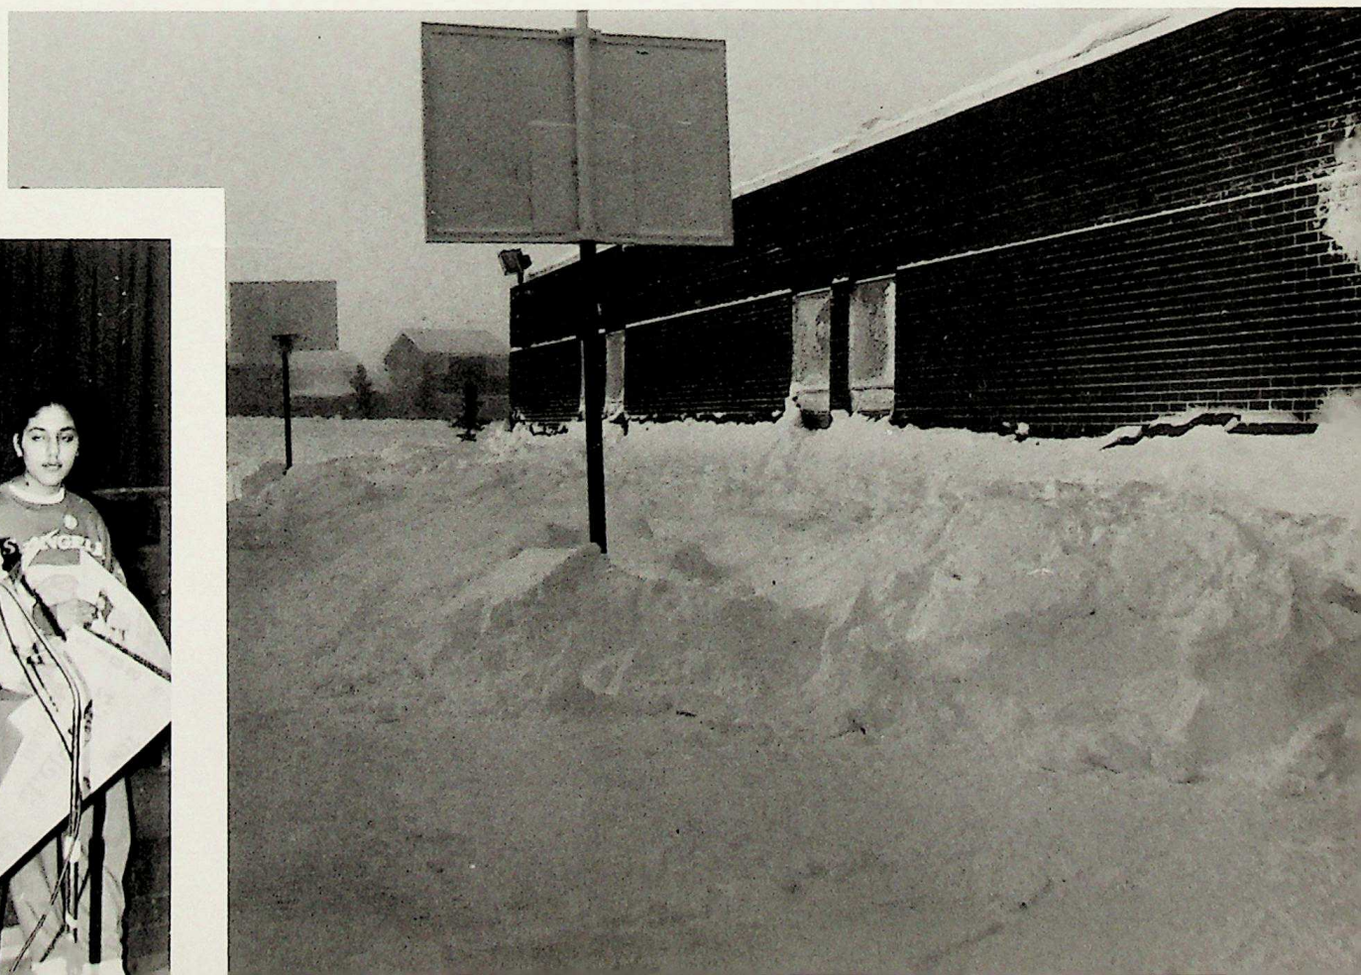


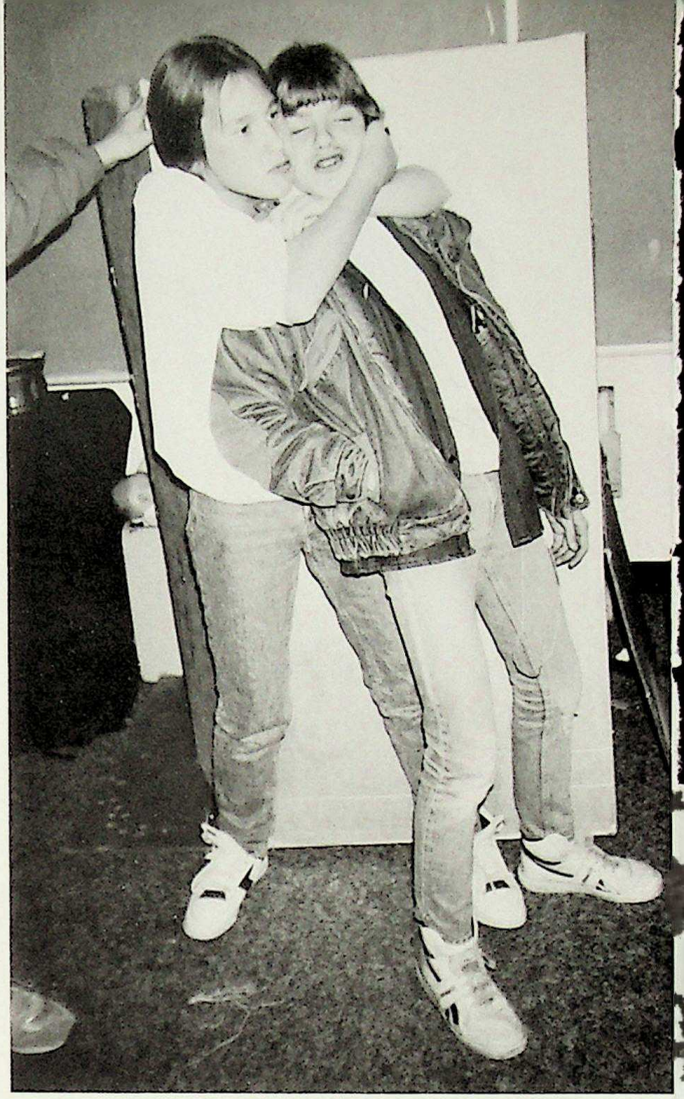




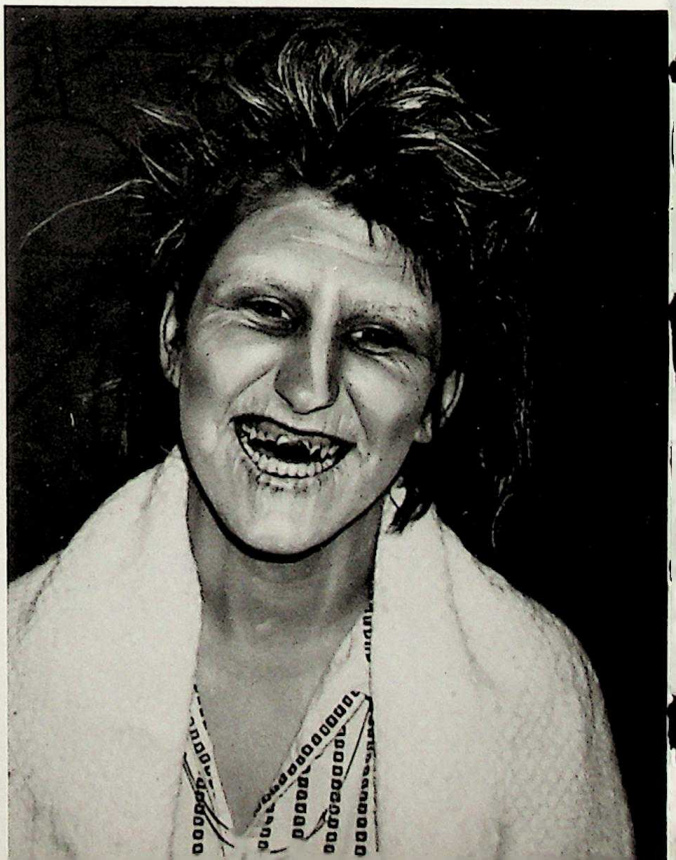








DRAMA



CHRISTMAS LIT

The startling appearance of Elvis Presley, the undisputed King of Rock 'n Roll, in the finale of our Christmas Lit, was the event of a lifetime for his many fans in the audience. His dramatic entrance came as a shock, especially to the six "Search for Elvis" contestants.

SENIOR BAND

The Bands had a very busy year and a very successful one. The Junior Band worked very hard and played well at both concerts and in competition. The Grade 8 Band was awarded second place at the Kiwanis Music Festival. The Jazz Band won silver at Musicfest Alberta and was awarded first place at the Kiwanis Festival. The Senior Concert Band won gold for the first time in Musicfest Alberta and was the first school band in Edmonton to commission a piece of music for band. The composer Jay Chattaway conducted the Band in inaugural performance of the work in February at J. Percy Page High School.

You're learning to make the most of you.

As the school year ends and you reflect upon the past year, you realize that some of the most valuable lessons don't come from textbooks. They come from life. From the good times and not-so-good times. When you learn about people. About yourself. Or just about handling things. And that's important. Because you never stop solving problems. You just get better at it.

Make the most of a good thing. Make the most of you.

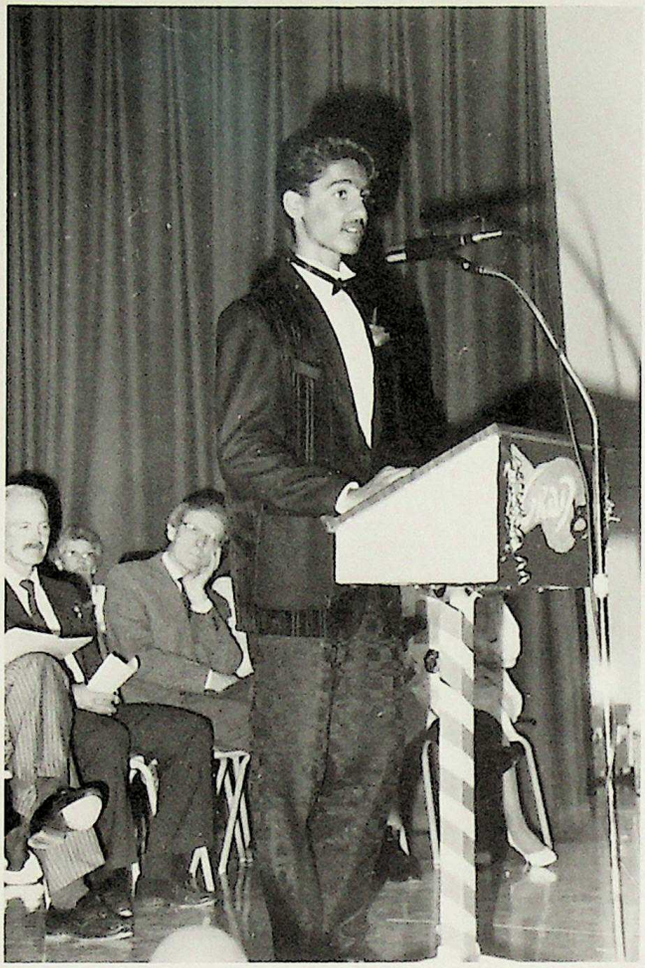
Yearbook produced by Mr. E. Bishop assisted by Mr. A. Jones, Arnie and Students.



Mr. Rempel, Teachers Parents, Guests, and Fellow Graduates,

After being at Edith Rogers for the past three years, the dream of moving on to high school has finally become a reality. For three years we have grown together and have become like a family. Our time together has flown by, and the thought of going to high school triggers different emotions within us. We feel excited about seeking new experiences, but at the same time feel hurt about leaving our friends behind.

Tomorrow we'll be going to new schools, meeting new people, and seeking new experiences. I hope what we learned at Edith Rogers will help us prosper throughout the rest of our lives.

Although we are leaving junior high behind, we won't forget the glare of Mr. Gable's shiny head, Mr. Douglas' jokes, Mr. Watson's sense of humour, Mr. Smith's music collection, Mrs. Bilton's portable curling iron, Mrs. Sobchyshyn's smile, Mrs. Oswin's green hair, and most of all, Narindar's (Mr. Riar's) car. I don't think we'll ever forget that beautiful Chevette. At Edith Rogers we have had many laughs during various occasions. Remember Western Days, Pyjamas Day, Multicultural Days, the building of the totem pole, and the great blizzard. We won't be leaving these people and events behind, but we will carry them in our hearts and minds, in the future.

We should not feel sad about leaving Edith Rogers, but privileged that we met all the wonderful people we did. We should thank our peers who supported us through the good and bad times. A special thanks goes to our teachers, who taught us skills varying from dribbling a basketball to writing essays, and most importantly, we were learning to enjoy school. Our parents, too, have earned our gratitude for their patience, love, and guidance. Let us give a round of applause to our parents and teachers.

I hope for all of us that we can strive to reach our goals in the future. We should all try to achieve what we are capable of doing. Don't be satisfied with second best. Go for the top. Let us carry the memories of the past, but we should look forward to the future. In the meantime, let us enjoy the little time we have left together.

Thank you and good luck!

Over thepast three years at Edith Rogers, the graduating class of 1989 has experienced a lot of challenges tied in withJunior High. As we look back on the past years,we have realized that we have grown; not only as a group,but as individuals as well. Edith Rogers has not only taught us to care about ourselves but to also care about our parents, our staff, and of course, our fellow students.

Even though we are breaking apart and moving on to high school, the valuable lessons we have learned and our unforgettable memories of the past three years will remain vivid in our minds forever.

All the best to the graduating class of 1990
